

MULTIPLE PERMISSION FORM

STUDENT'S NAME _____ **DATE** ___ / ___ / ___

Parents/ Guardians are asked to read the following information and sign giving CONSENT TO ALL LISTED AREAS

1. Local Walking Excursions

From time to time throughout the course of the year, your child's teacher may wish to take your child's class out of the school for a local walking excursion (e.g. to visit a nursing home or to count traffic etc.) I give permission for my child to attend any local walking excursions whilst enrolled at Woodville Primary. In the event of an accident or illness to my child, I authorize the teacher in charge of the excursion to consent, where it is impracticable to communicate with me, to my child receiving such medical or surgical treatment as may be deemed necessary.

2. Homework Guidelines

All students are expected to read every day. Take home books or library books are appropriate.

- Teachers may allocate homework tasks throughout the year. This homework will be appropriate to the child's ability and learning needs. Your child's teacher will inform you of any homework requirements.
- Homework should both be a rewarding experience and an opportunity for parents to develop a home / school partnership in their child's education.

I have read this section and will support my child in this area.

3. Internet and Email – Acceptable Use Policy

The use of the Internet at Woodville is a privilege. Inappropriate use will result in a loss of that privilege. Please read and discuss these guidelines with your child.

- **Internet Use** – students can only access internet sites under teacher supervision. Students are forbidden to access sites that would be offensive to parents, teachers and other students.
- **Privacy** – Students must not disclose their identity, home address or phone number online.
- **Email** – Students should always send messages that are polite as they are representing Woodville Primary School.
- **Respect** – Students must respect the rights of others and not read mail, files or use other people's passwords.

I have discussed these guidelines with my child.

4. Dispensing Of Medication

I understand that;

- It is my responsibility to inform the school of any medication/management plans for my child, (e.g. Asthma, ADHD)
- Where students require medications, this will be administered through the first aid attendant or Schools Service Officer, with parents being responsible for providing accurate written information regarding dispensation. All medication bottles should be clearly labelled with students name and required dosage in the original bottle.

I have read and agreed to section 1, 2, 3 and 4

Parent/Guardian's Signature _____

Date _____
