Dear parents and carers

The Victorian Government has advised new arrangements for school education for Term 2, 2020.

All children who can learn from home must learn from home.

This course of action has been determined to help slow the spread of coronavirus (COVID-19), based on the advice of the Victorian Chief Health Officer.

Our schools have been re-oriented to support learning from home.

Principals and teachers have put in place plans to provide a learning from home program for all year levels. This includes provision by the Department of Education and Training through your school of laptops or tablets and network access, if required.

In order to protect the health and safety of your children, your family, your teachers and the whole community, it is important that you follow the Victorian Government's direction and keep your child learning at home this term.

On-site school attendance is available as a last resort where parents and carers are not able to put in place arrangements to supervise children at home. Your school will have provided you with further information about this.

Information for parents and carers to support you supervise your children at home can be found here: <https://www.education.vic.gov.au/about/department/Pages/coronavirus.aspx>

If you have any questions or would like to discuss your own circumstances, please talk to your school or phone the Department of Education and Training parents' and carers' hotline on 1800 338 663.

Thank you for your cooperation and your support for our teachers, schools and community.

Yours sincerely

Jenny Atta
