

CLASSROOM MUSIC BLURB TERM 3, 2023

The whole school focus of our music sessions in Term Three is Performance.

The children will be working collaboratively on staging a whole school performance. The performance will be showcased on Thursday 14 September, 2023 (more information will be distributed during the term).

This performance aims to showcase the student's talents in drama, music, dance and voice. Performing helps to build self-confidence and self-expression. It helps develop memory skills, problem solving skills, team building, social interaction and co-operation.

This term the children will continue to refine their class performance, learn about stage etiquette and design stage props and costumes.
