A message from the Principal Class Team...

Dear Parents and Carers,

As you know, the Victorian State Government extended the current lockdown for a further two weeks, therefore unless restrictions ease early, we will not be back on-site teaching until Friday 3rd September.

Class teachers, Education Support staff and the Specialist team are all working hard to support our students to learn remotely from home. Thank you to our families for continuing to support your children to learn from home. We appreciate how challenging it is – take a break when you need one! Hopefully as Spring approaches and the weather warms, walks outside might seem more appealing!

Next weeks' *Learning from Home* grid will be uploaded to the school website and will be available for collection from the reception office window from 2pm Friday afternoon.

Take care, stay safe and stay well.

Nadia and Jodi

I recently asked staff to let me know how they had been filling their time during this most recent lockdown. Here's what they had to say...

Mrs Gibbens

During Lockdown I have been doing lots of gardening,

Mr Stanek-Bakes

I've kept busy during lockdown with Professional Reading, correcting fantastic work, playing with my puppies and making candles!!

Nicole Gibbens

During lockdown 6.0 I've been busy reading

Mr Kyvetos

During Lockdown 6.0 I've been doing well!

I've been making sure to stay fit and healthy. I wake up early each day and head out for a one hour walk. Some days it's hard to get up and out of bed; especially when it is cold, but I know how good I feel when I get back home. While walking I listen to my favourite hip-hop and RN'B tracks.

I have also had a bit of extra time to cook some fantastic healthy meals.

In the afternoons each day after teaching, I use my home gym for my weight training sessions.

It's been great to spend more time with my family, especially my little man Peter who will turn two at the end of this month. He's very cute and very cheeky!

I hope you are all keeping happy and healthy. Stay positive, work hard and be sure to catch some fresh air! See you all soon!

Mrs Turner

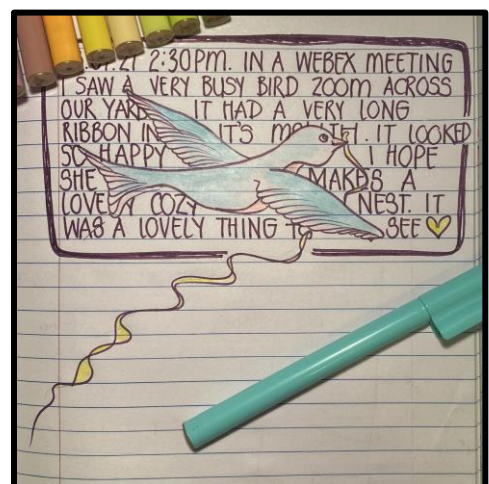

During Lockdown 6.0 I've been...watching my new favourite Netflix series, Cat People!

Mrs Quilty

During Lockdown 6.0 I've been doing lots of journaling and drawing.

I've noticed so many birds coming into my garden during the day. My favourites are the naughty cockatoos who drop pinecones near my feet when I hang out the washing and then they seem to laugh at me!

It's fun to draw some of the birds.

Mr McBride

During Lockdown 6.0 I've been able to spend more time with my kids. We've been playing board games, going for walks and even had a backyard camping trip, complete with a small campfire, which we toasted marshmallows on!

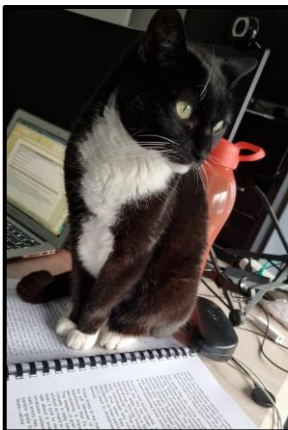

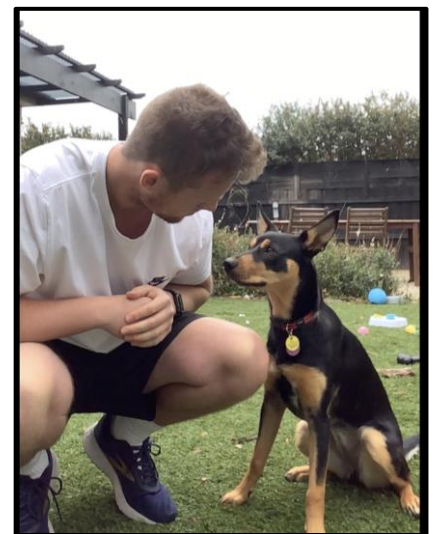

Mrs McCredden

During Lockdown I've been busy cuddling cats.

Mr Digby

During Lockdown 6.0 I've been playing with and training my new puppy Kahli! Working from home has allowed me to spend more time with her and play with her during our brain breaks. After learning I like to take her for a walk and play fetch at the oval. I also like to keep myself busy by making new PE videos for the students to try and practising juggling basketballs!

Mrs Ladgrove

During lockdown 6.0 I've been loving spending more time with my pets!

Miss Moore

I've kept busy during lockdown by doing lots of reading.

Mr Errey

During Lockdown 6.0 I've been reading a lot of books, playing PS4 and working out in my Garage.

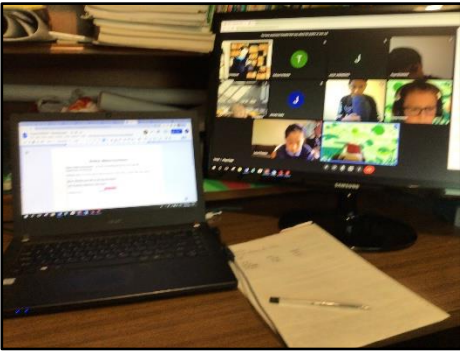

Mrs Lange

During Lockdown 6.0 I've been snuggling and playing with my puppy Dudley!

Mrs Cogan

During Lockdown 6.0 Mrs Cogan has been keeping very busy.

Mrs Novinec

During Lockdown 6.0 I've been taking our pets for walks.

This is Bump. She only has one eye and we can't ride her yet, so she needs lots of love and long walks.

Oscar loves to walk at the beach and to play with his friend Mary....
I love taking him!

And Hashi who likes to go for a walk in the sunshine in the front yard to look at the birds!

Ms Boicovitis

I've kept busy during lockdown by running and doing home workouts in the sun!
