## A message from the Principal Class Team...

Dear Parents, Carers, and students,

As we make plans to return to face to face teaching next term, we reflect on this past term and say to you...

**Thank you.**

**Thank you** for supporting your child/children as they learned remotely at home.

**Thank you** for supporting our staff as they taught and supported your child/children to learn remotely from home.

**Thank you** for being patient.

**Thank you** for understanding.

**Thank you** for asking questions, for seeking clarification, for giving feedback.

**Thank you** for trying and for giving things a go.

**Thank you** for your resilience.

**Thank you** for being such a wonderful part of the Woodville Primary School community.

Once again, as was the case last year, term four will be a critical time for the re-engagement of students, the re-establishment of school routines and undertaking the steps necessary to prepare for and complete successful transitions into 2022. Our priority in term 4 will be to:

- begin the process of catch-up learning and continue to extend those who progressed well during remote and flexible learning
- support students to re-establish friendships and class groups when back on site, and provide additional support where needed
- help every student prepare for 2022 with a sense of purpose and optimism
- ensure students continue to develop their literacy and numeracy knowledge and skills, build their personal and social capability and are physically active.

We are working hard to:

- ensure children starting in Prep in 2022 can meet their new classmates and teacher, and familiarise themselves with the school setting
- enable the grade six students to mark the milestone of completing primary school
- engage and work with local secondary schools to support the transition process for grade six students.

Please take note of these important dates for next term, term four 2021...

**Week 1: Monday 4<sup>th</sup> October** – Curriculum Day - 'A Framework for understanding Poverty' – All staff will be participating in this world renown professional learning day.

We hope you enjoy contributing to and reading the Woodville Community Padlet. This padlet can only be accessed by those who have the link. The link was sent to families via the newsletter email last week and to students via their classroom streams. The Woodville Community Padlet is a place to reach out and share the amazing things you are doing at home, to express appreciation, to be grateful for others. We look forward to seeing your posts!

We also cannot wait for the return of our much-loved and well-respected Principal Mrs Lyn Vincent, who will return from extended leave next term. Both myself and Nadia will step back into our Assistant Principal roles and work closely with Lyn to plan for the 2022 school year.

Take care, stay safe and stay well.
