Dear Parent/Guardian,

RE: ESSENTIAL EDUCATIONAL ITEMS: GRADE PREP (Foundation) 2026

We are looking forward to a great year of teaching and learning and would like to advise you of Woodville Primary School's voluntary financial contributions for GRADE PREP 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for your support, whether that is through contributing to the voluntary financial contributions, fundraising or volunteering your time. This makes a huge difference to our school and the programs we can provide such as a wider offering of subjects, special curriculum experiences and enhanced digital learning opportunities. Your contributions also support us to ensure our resources and equipment are well maintained and of the best possible quality.

Woodville Primary School purchases a variety of subscriptions to online learning platforms to support the learning of all students (ie; English & Mathematics programs). Families can make a voluntary contribution towards these programs which can also be accessed by students at home (please see overpage for full details).

Parents/carers are asked to purchase the supplies for their own child for the 2026 school year. Further on in this letter is a list of the items we recommend be purchased from stationary company WINC for your child's personal use in the classroom.

There is a "WINC Parent Portal" where you can purchase the recommended items quite easily and at an extremely competitive price. ***Place your order on, or before December 5th 2025 for free delivery to your home (do not use the school as delivery address).*** Please be aware that if you do not choose to purchase the complete pack and your order is less than \$60 a delivery fee will apply during the free delivery period.

We strongly encourage everyone to place their orders as soon as possible to avoid delivery delays and children can then bring their book packs to school on day one of 2026.

For Grade Prep students we highly recommend purchasing the entire book pack as there are items they will continue to use in the following years (eg: headphones).
